Thursday 30th January 2025

Dear Parents/carers

We would like to invite you to our Science themed Shared Lesson, from 8:45-9:45am on Thursday 13th February 2025.

As part of our Science topic this term focusing on space, we have been learning about the Solar System and the different planets within it. We would like to invite you to join us in our Space exploration, where we will be completing a range of activities, which will help us develop our knowledge even further.

The shared lesson will take place in your child's classroom, so please come to the door where you usually drop them off for 8:45am. We regret that we cannot accommodate siblings. We will be taking photographs of the shared lesson and uploading them onto Google classroom, so you will all be able to see the exciting things we do, even if you are unable to attend.

If you require any further information or clarification, please do not hesitate to contact me. Thank you for your continued support and co-operation.

Kind regards,

Mrs Robertson
Class Teacher
